

TODAY:

**TOP BOSTON SPECIALISTS ARE
AT YOUR FINGERTIPS**

Dr. Khoa Tran, MD, Pediatric Gastroenterologist,
Floating Hospital for Children at Tufts Medical Center
The Pediatric Specialty Center - Lawrence

Our affiliations with leading Boston academic medical centers brings their top specialists here to the Merrimack Valley. Doctors from Beth Israel Deaconess Medical Center and Floating Hospital for Children at Tufts Medical Center working together with our local doctors means people in our community have access to world-class care, close to home.

Today, amazing partnerships are happening at Lawrence General Hospital. **To learn more, visit lawrencegeneral.org**
