DEPARTMENT OF INFORMATION SYSTEMS CONFIDENTIALITY AGREEMENT

I understand that Lawrence General Hospital has a legal and ethical responsibility to safeguard the privacy of all patients and to protect the confidentiality of their health information. Additionally, Lawrence General Hospital must assure the confidentiality of its human resources, clinical, payroll, fiscal, computer systems, and management information (collectively, "Confidential Information").

In the course of my employment/assignment at Lawrence General Hospital, I understand that I may come into the possession of Confidential Information.

I further understand that I must sign and comply with this agreement in order to get authorization for access to any of Lawrence General Hospital's Confidential Information.

- 1. I will not disclose or discuss any Confidential Information with others, including friends or family, who do not have a need to know it. In addition, I understand that my personal access code, user ID(s), and password(s) used to access computer systems are also an integral aspect of this Confidential Information.
- 2. I will not access or view any Confidential Information, or utilize equipment, other than what is required to do my job.
- 3. I will not access my own patient account/medical record/employee file. I understand I have a right as a patient/employee to view this information, but must do so through the proper channels via the medical records department or my physician for the medical record, patient accounting for billing information, and human resources for HR/Payroll information.
- 4. I will not discuss Confidential Information where others can overhear the conversation (for example, in hallways, elevators, in the cafeteria, on public transportation, in restaurants, and at social events). It is not acceptable to discuss Confidential Information in public areas even if a patient's name is not used. Such a discussion may raise doubts among patients and visitors about our respect for their privacy.
- 5. I will not make inquiries about Confidential Information for other personnel who do not have proper authorization to access such Confidential Information.
- 6. I will not willingly inform another person of my computer password or knowingly use another person's computer password instead of my own for any reason.
- 7. I will not make any unauthorized transmissions, inquiries, modifications, or purging of Confidential Information in Lawrence General Hospital's computer system. Such unauthorized transmissions include, but are not limited to, removing and/or transferring Confidential Information from Lawrence General Hospital's computer system to unauthorized locations using any type of portable media.
- 8. I will log off any computer or terminal prior to leaving it unattended.
- 9. I will comply with any security or privacy policy promulgated by Lawrence General Hospital to protect the security and privacy of Confidential Information.
- 10. I will immediately report to my supervisor and/or Information Services any activity, by any person, including myself, that is a violation of this Agreement or any of Lawrence General Hospital's information security or privacy policy. The transgression will in turn be reported to the Chief Information Officer for review.
- 11. Upon termination of my employment/services, I will immediately return any documents or other media containing Confidential Information to Lawrence General Hospital.
- 12. I agree that my obligations under this Agreement will continue after the termination of my employment/services.
- 13. I understand the violation of this Agreement may result in disciplinary action, up to and including termination of employment and/or suspension and loss of privileges, in accordance with the Lawrence General Hospital's Confidentiality of Computerized Information Policy, as well as legal liability.

ΛR

I understand the violation of this Agreement may result in adverse action up to and including termination of my ability to work at or on behalf of Lawrence General Hospital, and/or suspension and loss of privileges, in accordance with Lawrence General Hospital's Policies and Procedures. In addition, under applicable law, I may be subject to criminal or civil penalties

14. I further understand that all computer access activity is subject to audit.
