

TODAY: WE ARE READY FOR ANYTHING

George Kondylis, MD, Chief of Emergency Medicine
Teresa Pazdral, MD, Associate Director, Emergency Center

The Merrimack Valley's first Level III Trauma Center. At Lawrence General, highly experienced trauma teams are trained to handle the most challenging cases, time-sensitive surgeries and traumatic injuries. Delivering excellence in trauma care, where doctors are exposed to anything and everything, means better care for all our patients.

Today, amazing medicine is happening at Lawrence General Hospital. **To learn more, visit lawrencegeneral.org/today**
